

Rojo, Jofel – Leader – Home Page

Lasaca, Jeff Jude – Sign Up and Login page

Tinoy, Mea Jane – Fundamental Topic

Daan, Jamaica – Advance Topic

In this week we combine our designated task and we have the output that look like this. The only problem that we encounter is the javascript only. The work that we need to add is the aesthetic of the homepage itself and the signup and login page that will connect in the topics. We like to improve our homepage and add a little more spice in it, so we made an animation that will replace the homepage image and add the animation witch can be seen in the last part of this progress report.
